To Whom it May Concern:

Each year, if funding permits, Upper Peninsula Power Company provides grant dollars to organizations our customers may be able to benefit from in the areas of Arts & Culture, Community & Neighborhood Development, Education & Lifelong Learning, Environmental, and Human Services & Health. Selecting grant recipients from an outstanding and varied group of applicants is always a challenging task. We are often unable to gift the entire amount requested. Simply put, UPPCO does not have enough grant funds to favor all the fine proposals we receive from the ten counties we serve.

Enclosed is a gift of \$250.00 from UPPCO in support of your group.

The community needs organizations like Copper Country Radio to assist in community events and severe or emergent situations. We're glad you're interested in technology that offers a major benefit to the people we serve and that upgrading it is a priority to you. We hope the citizens of the Keweenaw area can benefit from your efforts and our contributions to such. Many of the events you mentioned you assist with in your grant request are also events we sponsor because they, like you, are a great asset to our community!
