3. Announcements / Reminders

A. Club Events

i) Bridgefest Parade - 6/16 @

6:30pm – The parade route will be coming from Hancock and going the wrong way down Sheldon Ave in Houghton to Franklin Square. Volunteers will meet by 6:30pm and tasked with making sure traffic is diverted from the parade route. There will be Subway for volunteers afterwards.

ii) Field Day (6/24 – 6/25/23) – Field Day

2023 starts at 2:00pm local time on Saturday (6/24) and ends at 1:59pm local time on Sunday (6/25). We are here tonight to check radios and antennas and be able to be operational inside and outside (we have the generator for power) and to find any immediate fixes, such as the need for expanding foam to fill in holes where coax enters the clubhouse. If needing to check connections on the antennas, the big tower should be safe to climb. Anyone is invited to attend Field Day, including the public. Bill does have signs and banners if we would
